

## Case Study

### *Doreen Service Centre*

**Client:** AGCT

**Scope:** All concrete supplied including Factory floors, Driveways, Footpaths, Cross overs and Roadways

**Location:** Cr Bridge Inn Rd. and Yan Yean Rd., Doreen

**Comment:**

The Doreen Service centre was completed in 2012. It comprises of a fuel station, car wash, car servicing facilities and smaller retail premises. ACM concrete was used for all groundworks in strength grades ranging from 25 to 32MPa. Multiple footpaths were completed in exposed aggregated finish.
